

Development of academic mobility programs with Universities of Germany: barriers and prospects

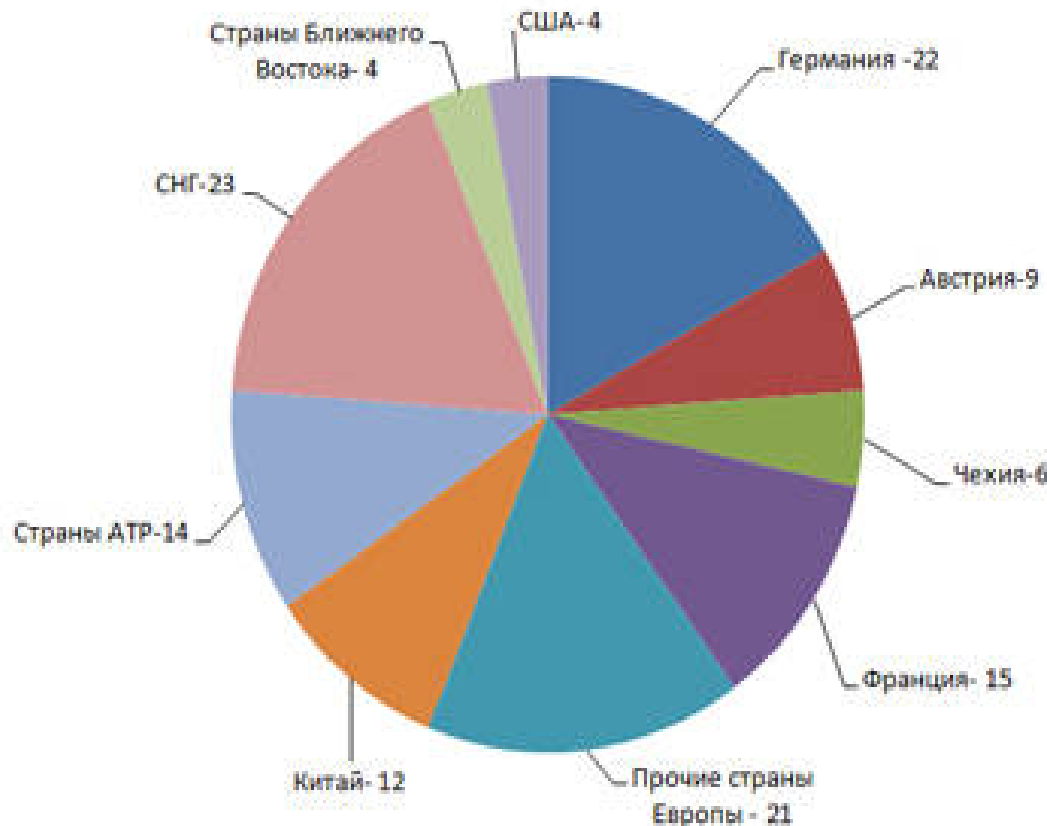

Elena V. Tsukanova
Academic exchange,
T.I.M.E. coordinator
TPU

TPU Partner Universities

Количество университетов-партнеров

Number of German University partners at TPU is the largest

Types of mobility programmes

■ Double Degree Programmes

■ Physics of High Technology in Mechanical Engineering Technische Universität Berlin

■ Computer Science (Informatics) Partner University: Technische Universität München

■ High Voltage Engineering and Physics Fachhochschule Aachen

Academic exchange programmes

Internships

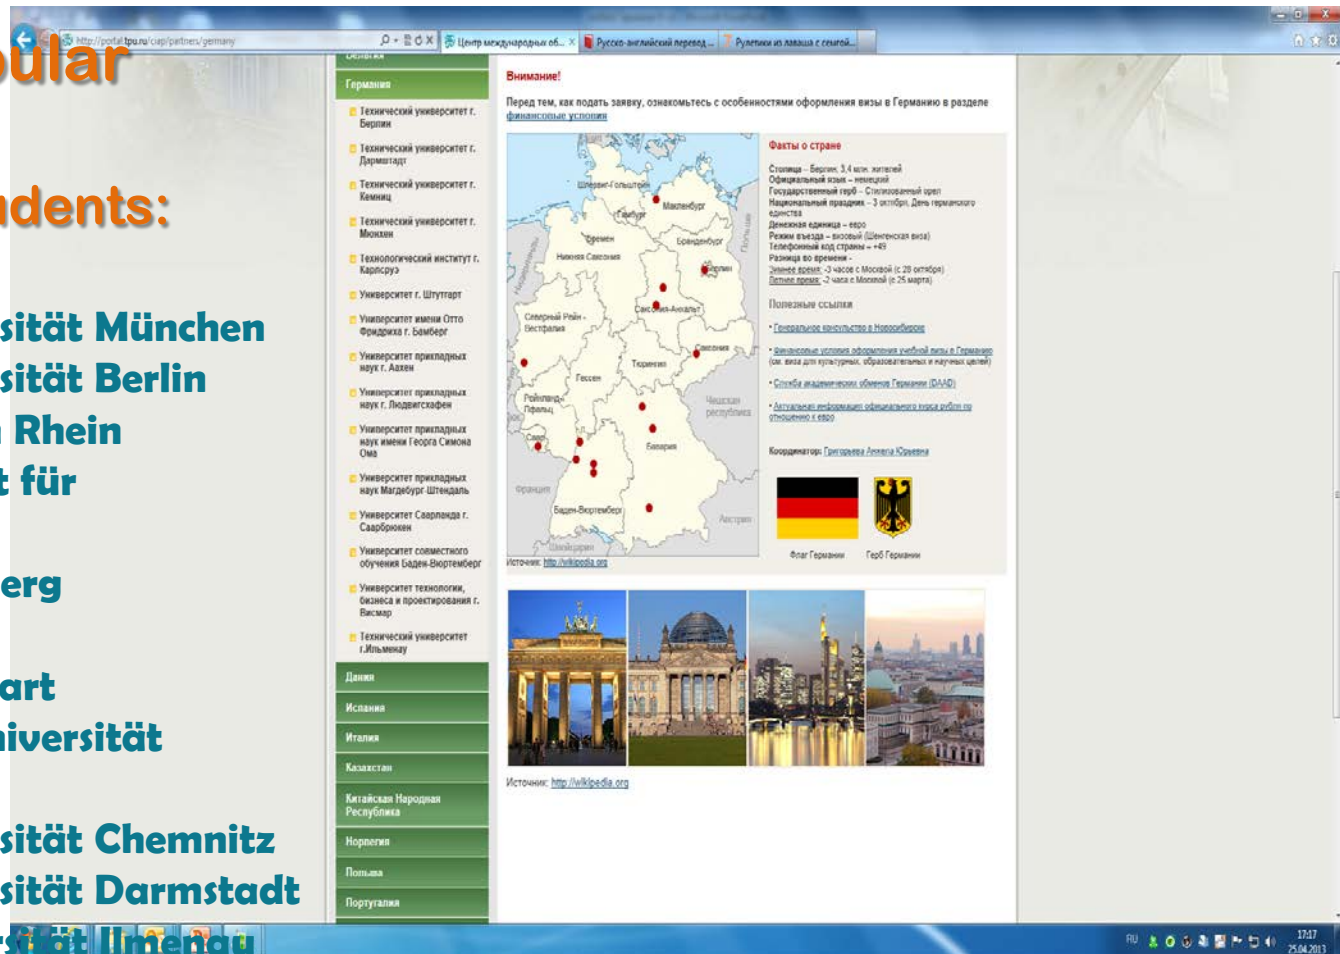

German University Partners

10 Most popular Universities among TPU students:

1. Technische Universität München
2. Technische Universität Berlin
3. Ludwigshafen am Rhein
4. Karlsruher Institut für Technologie
5. Baden-Württemberg Heidenheim
6. Universität Stuttgart
7. Otto-Friedrich-Universität Bamberg
8. Technische Universität Chemnitz
9. Technische Universität Darmstadt
10. Technische Universität Ilmenau

Incoming students from German partner universities

come to TPU from:

TU Berlin

FH Aachen

Technische Universität Darmstadt

Karlsruher Institut für Technologie

Technische Universität Chemnitz

DHBW Heidenheim

Otto-Friedrich-Universität Bamberg

WHY GERMANY?

Why TPU students choose German Universities for academic exchange

- ❑ High Academic Standard
- ❑ Internationally recognized education (academic experience)
- ❑ Interaction with industry(practical experience)
- ❑ Financial support
- ❑ World leaders in engineering
- ❑ International Medium (being part of international medium)
- ❑ Heart of Europe
- ❑ Close ties between Germany & Russia

Barriers for students to choose GERMANY...

- Low German language proficiency

LANGUAGE	Examined students	Successfully Passed
English	72	45
German	10	3
French	4	0
Chinese	4	4

Barriers for students to choose GERMANY...

- Majority Courses in German
- Less Courses in English
- Different semester timing in Germany & Russia
- Visa(Opening a bank account in Germany)
